The Employer further agrees that it is solely responsible for providing each Employee access to the most current version of any E-file Certificate Booklet, amendment, or other revised form provided by BCBSTX, or to provide a paper copy of the same to an Employee upon request or to an HMO subscriber who has not agreed to accept the certificate of coverage electronically. The Employer is solely responsible and holds BCBSTX harmless from any misuse of the E-file provided by BCBSTX.

Decline – Employer does not consent to receive electronic versions of certificate-booklets for covered Employees or the Contract and desires BCBSTX to print and distribute hard copy versions.

I have read and understand this Employer's Application, and the producer, if any, named below is authorized to represent the Employer in the purchase of the Benefit Plan(s). This Employer Application is incorporated into and made a part of the Contract entered into and agreed upon by BCBSTX and the Employer. For HMO, the title of the contract is HMO Group Agreement. For non-HMO, the title of the contract is Group Administration Document. For dental, the title of the contract is Dental Group Administration Document.

Changes in state or federal law or regulations or interpretations thereof may change the terms and conditions of coverage.

I acknowledge that the producer(s) or agency(ies) named on the producer's Statement page is/are acting on behalf of the Employer for purposes of purchasing Employer insurance, and that if BCBSTX/Dearborn National accept this Employer Application and issues a Group Contract/Policy/Agreement to the Employer, BCBSTX/Dearborn National may pay the producer(s)/agency(ies) a commission and/or other compensation in connection with the issuance of such Group Contract/Policy. The undersigned further acknowledges that if the Employer desires additional information regarding any commissions or other compensation paid the producer(s)/agency(ies) by BCBSTX/Dearborn National in connection with the issuance of a Group Contract/Policy, they should contact the producer(s)/agency(ies).

I certify that all statements contained in this Employer Application and all information required to be furnished to BCBSTX/Dearborn National are complete and true to the best of my knowledge and belief. I understand that BCBSTX/Dearborn National will rely on the statements made and information furnished, as the basis in determining the appropriate rate level and/or approval of this Employer Application. I understand that no insurance or changes will become effective without approval of BCBSTX/Dearborn National. The requested Contract(s)/Policy(ies) effective date (as listed on page 1) is subject to change by BCBSTX/Dearborn National if all required documents are not completed and received by the date requested. If documents are not received by the date requested, the Employer will be required to complete a new Employer Application.

ADDITIONAL PROVISIONS:

- A. Grandfathered Health Plans:** Employer shall provide BCBSTX with written notice prior to renewal (and during the plan year, at least 60 days advance written notice) of any changes in its Contribution Rate Based on Cost of Coverage or Contribution Rate Based on a Formula towards the cost of any tier of coverage for any class of Similarly Situated Individuals as such terms are described in applicable regulations. Any such changes (or failure to provide timely notice thereof) can result in retroactive and/or prospective changes by BCBSTX to the terms and conditions of coverage. In no event shall BCBSTX be responsible for any legal, tax or other ramifications related to any benefit package of any group health insurance coverage (each hereafter a "plan") qualifying as a "grandfathered health plan" under the Affordable Care Act and applicable regulations or any representation regarding any plan's past, present and future grandfathered status. The grandfathered health plan form ("Form"), if any, shall be incorporated by reference and part of the BPA and Group Policy, and Employer represents and warrants that such Form is true, complete and accurate. If Employer fails to timely provide BCBSTX with any requested grandfathered health plan information, BCBSTX may make retroactive and/or prospective changes to the terms and conditions of coverage, including changes for compliance with state or federal laws or regulations or interpretations thereof.
- B. Retiree Only Plans and/or Excepted Benefits:** If the BPA includes any retiree only plans and/or excepted benefits, then Employer represents and warrants that one or more such plans is not subject to some or all of the provisions of Part A (Individual and Group Market Reforms) of Title XXVII of the Public Health Service Act (and/or related provisions in the Internal Revenue Code and Employee Retirement Income Security Act) (an "exempt plan status"). Any determination that a plan does not have exempt plan status can result in retroactive and/or prospective changes by BCBSTX to the terms and conditions of coverage. In no event shall BCBSTX be responsible for any legal, tax or other ramifications related to any plan's exempt plan status or any representation regarding any plan's past, present and future exempt plan status.
- C. Religious Employer Exemption or Eligible Organization Accommodation:** Although federal regulations describe a limited exemption for certain group health plans from the Affordable Care Act requirement to cover contraceptive services under guidelines supported by the Health Resources and Services Administration (HRSA), your insurance Policy must comply with applicable state requirements regarding contraceptive coverage. Accordingly, your Policy currently includes coverage for contraceptives consistent with the state and federal coverage requirements and applicable exemptions. Some contraceptives may be covered without cost to the employee."
- D.** Policyholder will provide BCBSTX with immediate written notice in the event Employer and/or any of the entities referenced above no longer qualify for the religious employer exemption and/or eligible organization accommodation (as they may be amended, replaced or superseded from time to time). Employer shall indemnify and hold harmless BCBSTX and its directors, officers and employees against any and all loss, liability, damages, fines penalties, taxes, expenses (including attorneys' fees and costs) or other costs or obligations resulting from or arising out of any claims lawsuits, demands, governmental inquiries or actions, settlements or judgments brought or asserted against BCBSTX in connection with (a) any plan's exempt status, (b) religious employer exemption and/or eligible organization accommodation, (c) any plan's design (including but not limited to any directions, actions and interpretations of the Policyholder, and/or (d) any provision of inaccurate information. Changes in state or federal law or regulations or interpretations thereof may change the terms and conditions of coverage.

The provisions of paragraphs A-D (directly above) shall be in addition to (and do not take the place of) the other terms and conditions of coverage and/or administrative services between the parties.

ACA FEE NOTICE: ACA established a number of taxes and fees that will affect our customers and their benefit plans. One of those fees is: the Annual Fee on Health Insurers or “Health Insurer Fee.”

Section 9010(a) of ACA requires that “covered entities” providing health insurance (“health insurers”) pay an annual fee to the federal government, commonly referred to as the Health Insurer Fee. The amount of this fee for a given calendar year will be determined by the federal government and currently involves a formula based in part on a health insurer’s net premiums written with respect to health insurance on certain health risk during the preceding calendar year. This fee will go to help fund premium tax credits and cost-sharing subsidies offered to certain individuals who purchase coverage on health insurance exchanges.

In addition, ACA Section 1341 and/or other applicable laws may provide for the establishment of a temporary reinsurance program(s) that may be funded by reinsurance contributions or other amounts (collectively, the “Reinsurance Fees or Amounts”) collected from health insurance issuers and/or self-funded group health plans. Federal and/or state governments may provide information as to how these Reinsurance Fees or Amounts are calculated. Federal regulations establish a flat per member per month fee. The temporary reinsurance programs funded by these Reinsurance Fees or Amounts will help stabilize premiums in the individual market.

Your premium, which already accounts for current applicable federal and state taxes, includes the effects of the Health Insurer Fees and Reinsurance Fees or Amounts, if any. These rates may be adjusted on an annual basis for any incremental changes in Health Insurer Fees and Reinsurance Fees or Amounts, if any.

Notwithstanding anything in the Policy or Renewal(s) to the contrary, BCBSTX reserves the right to revise our charge for the cost of coverage (premium or other amounts) at any time if any local, state or federal legislation, regulation, rule or guidance (or amendment or clarification thereto) is enacted or becomes effective/implemented, which would require BCBSTX to pay, submit or forward, on its own behalf or on the Policyholder’s behalf, any additional tax, surcharge, fee, or other amount (all of which may be estimated, allocated or pro-rated amounts).

MEDICARE SECONDARY PAYER (MSP) EMPLOYER ACKNOWLEDGEMENT

Under federal law, it is the employer's responsibility to inform its insurer or third-party administrator of proper employee counts for the purpose of determining payment priority between Medicare and another insurer. Employer size, not group health plan size, is used in determining whether the group health plan or Medicare is the primary payer. **In the absence of employer-provided employee counts, CMS requires that the employer's group health plan coverage be considered primary to Medicare. SECTION D

FOR MLR AND MARKET SEGMENT PURPOSES ONLY

The Affordable Care Act (ACA) established Medical Loss Ratio (MLR) standards for health insurers, which requires that Blue Cross and Blue Shield of Texas report annually whether coverage is in the individual, small group or large group market of a state. Therefore, your assistance is needed to classify your coverage for each MLR reporting year. Generally, the MLR is the percentage of earned premiums that the insurer spends on health care services and quality improvement activities. If the insurer’s MLR is less than ACA’s MLR standard for a group market of a state, the insurer may provide ACA-MLR rebates in that market.

This section and the information you provide will assist us in completing our ACA-MLR report and distributing any ACA-MLR rebates that may be provided for an ACA-MLR reporting year. Please complete the information requested below. This section and the information you provide will also assist us in determining your market segment, products and rates.

1. Employer Size. (Required for new groups only)

For the purpose of determining employer size:

- An “employee” is defined as any individual employed by an employer. An employee includes full-time, part-time and seasonal employees.
- Persons treated as a single employer under Internal Revenue Code Section 414(b), (c), (m) or (o) should be treated as a single employer.
- If your company is wholly owned by an individual (or an individual and his/her spouse), do not include the individual and his/her spouse in your response below.
- Partners in a partnership should not be counted as employees.

Check the box that applies to your company (employer):

- My company (employer) **existed** during the preceding calendar year. What is the average number of employees that your company (employer) employed on business days during the calendar year (January 1 – December 31) preceding the effective date of coverage? For example, if your effective date is July 1, 2016 then you would base your answer on calendar year 2015.
- My company (employer) **did not exist** at any time during the preceding calendar year. What is the average number of employees that your company (employer) is reasonably expected to employ on business days during the current calendar year?

Is your company a partnership? Yes No

2. Church Plan.

In order to provide an ACA-MLR rebate to a policyholder the MLR regulations require that an insurer obtain a written assurance from the policyholder that any rebate will be used for the benefit of enrollees as described in MLR regulations (45 C.F.R. 158.242). If the written assurance is not provided, the MLR regulations require that an insurer distribute any rebate directly to certain subscribers of the plan (rather than to the policyholder).

Does the policyholder listed sponsor a church plan* in connection with the policyholder’s BCBSTX coverage?

- No, the group health plan is NOT a church plan.
- Yes, the group health plan is a church plan. If yes, check one of the following:
- The policyholder **WILL** use any rebate for the benefit of enrollees as described above.
 - The policyholder **WILL NOT** use any rebate for the benefit of enrollees as described above. I understand that, if this box is checked, BCBSTX may distribute any rebate directly to certain subscribers of the plan.

* “Church plan” has the meaning given the term in Internal Revenue Code Section 414(e).

If you have any general questions about this request, please contact our Medical Loss Ratio Hotline at 855-804-3635, 8 a.m. to 6 p.m. CT, Monday through Friday. Should the employer’s or plan’s status change, please contact your account representative.

I, the undersigned, a duly authorized representative of policyholder represent and warrant that the information contained in this Section D is true, correct and complete to the best of my knowledge and belief.

Employer or Authorized Purchaser Signature and Title Date

IMPORTANT NOTE

Under federal law, it is the employer's responsibility to annually inform its insurer or third-party administrator, such as Blue Cross and Blue Shield of Texas (BCBSTX), of proper employee counts for the purpose of determining payment priority between Medicare and another insurer. In the absence of employer-provided employee counts, CMS requires that the employer's group health plan coverage be considered **primary to Medicare**.

Background

When an individual is covered by both Medicare and an employer's group health plan (GHP), Medicare secondary payer (MSP) rules specify that the employer's total size, not group health plan enrollment size, is a factor in determining whether Medicare benefits are primary or secondary. Employer size is a factor in MSP order of payment determinations when the covered individual is Medicare-entitled due to either age ("working aged") or disability.

Employer information – Who is the Employer?

For MSP purposes, the employer is the legal entity that employs the employees. For example, the employer may be an individual, a partnership, or a corporation. In some situations, it may not be clear which corporation or individual is the employer for MSP purposes. In these cases, employers must use Internal Revenue Service aggregation rules provided in the Internal Revenue Code [IRC 26 U.S.C. Sections 52(a), 52(b), 414(n) (2)]. In general, these rules specify that single employers include:

- all employees of all corporations that are members of the same controlled group of corporations, and
- all employees of trades or business (whether incorporated or not), e.g., employees of partnerships, LLCs, proprietorships that are under common control.

The Centers for Medicare & Medicaid Service's (CMS) *MSP Manual* provides additional guidance about aggregation for affiliated service groups and religious orders, as well as authoritative information about employer size and other MSP topics. The *MSP Manual* is available online at <http://www.cms.hhs.gov/Manuals/IOM/list.asp>.

Question 1 – Did you file a separate Federal Tax Return?

If you filed a federal tax return that did not include information about any other individual or entity, check "Yes." If you filed a federal tax return consolidated with another individual or entity, check "No." If you are not required to file a federal tax return, check "N/A."

Question 2 – Employer Size from Your Federal Tax Return Information

How many employees did all the entities listed on the tax return have on the payroll (whether full-time, part-time, seasonal or partners) during the prior calendar year? It is important that you enter the total number of employees for all entities (including parent, subsidiaries and affiliated entities) listed on the tax return, since this may determine whether or not Medicare will be the primary payer of claims. Subsidiaries of foreign companies must count the number of employees of the organization worldwide.

Question 3 – Are you part of a multi-employer group health plan?

Authoritative guidance for determining multiple employer group health plan participation can be found in the Code of Federal Regulations at 29 CFR § 2510.3-37.

Questions 4 and 5 – Working Aged Rule & Employer Size

Under the MSP "working aged" rule, Medicare is secondary to the employer's GHP coverage if the employer's size equals 20 or more employees for each working day in each of 20 or more calendar weeks in the current or preceding calendar year. (*Question 4 refers to this standard as "the threshold."*) Note: The year of your upcoming renewal is the 'current' year. If there have not yet been 20 weeks in the current calendar year, base your answer on current employee count. Understand that you are obligated to notify BCBSTX if and when your status changes. This also applies to multi-employer and multiple employer group health plans in which at least one employer employs 20 or more employees.

- *Counting individuals for the "20-or-more" employer size*
 - Employees counted in the 20-or-more employer size include the total number of nationwide full-time employees, part-time employees, seasonal employees and partners who work or who are expected to report for work on a particular day.
 - Those not counted in the 20-or-more employer size include retirees, COBRA qualified beneficiaries and individuals on other continuation options, and self-employed individuals who participate in the employer's group health plan.

The information in these instructions should not be construed as legal advice or as a legal opinion on any specific facts or circumstances, and is not intended to replace advice of independent legal counsel.

- *Employer size increases to 20 or more during the year*

If the employer's size was below 20 during the preceding year, the employer's GHP coverage becomes primary as soon as the employer has had 20 or more employees on each working day of 20 calendar weeks of the current year. The 20 calendar weeks do not have to be consecutive. Then, the employer's GHP coverage is primary for the remainder of the year and during the following year.

For example, the employer's size meets the 20-or-more employee threshold as of October 1, 2013. The employer's GHP coverage becomes primary for services provided from October 1, 2013 through December 31, 2014.

Please note: If you check "No" for the current year in EAF **Question 4** and your answer changes to "Yes" at any time, you must promptly notify BCBSTX by completing a new EAF and indicating the date the change occurred in the space provided in **Question 4**.

- *Employer size fails to meet the threshold of '20 or more employees during 20 or more weeks' during the year*

If the employer's size met the threshold of 20 or more employees for each working day in each of 20 or more calendar weeks for the preceding year, but during the current calendar year the employer size never meets that threshold, the employer's group health plan remains primary until the end of the current year.

For example, during 2013 the employer's size met the threshold of 20 or more employees for each working day in each of 20 or more calendar weeks. However, during 2014 the employer's size never meets this threshold. The employer's group health plan coverage remains primary through December 31, 2014.

- *Individuals affected by the working aged rule*

The "working aged rule" applies to individuals who are Medicare-entitled due to age (age-65 or older) and

- Are covered under their employer's GHP and have "current employment status" and the employer meets the "20-or-more" employer size requirements (above), or
- Are covered under their spouse's (of any age) employer's GHP and the spouse has current employment status and the employer meets the "20-or-more" employer size requirements (above).

Questions 6 and 7 — Disability Rule & Employer Size

Under the MSP "disability" rule, Medicare benefits are secondary to an employer's large group health plan (LGHP) benefits when the employer size equals 100 or more full-time and/or part-time employees on 50 percent or more of the employer's business days during the previous calendar year. The business days do not have to be consecutive.

For multi-employer plans, Medicare is the secondary payer for all individuals enrolled in the plan as long as at least one of the employers employs 100 or more employees. The 100-employee threshold is not based on the aggregate number of employees of all employers. If you are a multi-employer, please keep this in mind when completing **Questions 6 and 7**.

- *Counting individuals for the "100-or-more" employer size*

- Employees counted in the 100-or-more employer size include the total number of nationwide full-time employees, part-time employees, seasonal employees and partners who work or are expected to report for work on a particular day.
- Those not counted in the 100-or-more employer size include retirees, COBRA qualified beneficiaries and individuals on other continuation options, and self-employed individuals who participate in the employer's group health plan.

- *Employer size increases to 100 or more during the year*

If the employer's size meets the 100-or-more employee threshold at any time during the current year, the employer's group health plan coverage will be primary to Medicare during the following year.

For example, an employer met the 100-or-more employee threshold on May 1, 2013. The employer's GHP coverage will be primary for services provided from January 1, 2014, through December 31, 2014.

Please note: If you answer "No" to **Question 6**, you must promptly notify BCBSTX by completing a new EAF if your answer changes to "Yes" at the beginning of the next calendar year.

- *Employer size doesn't meet the threshold of '100 or more employees during 50 percent of business days' during the year*

If the employer's size does not meet the 100-or-more employee threshold during the year, the employer's GHP coverage is secondary to Medicare during the following year.

For example, during 2013 the employer's size never meets the threshold of 100 or more full-time and/or part-time employees on 50 percent or more of the employer's business days. The employer's group health plan coverage will be secondary to Medicare for services provided from January 1, 2014, through December 31, 2014.

- *Individuals affected by the disability rule.*

The "disability rule" applies to individuals who are Medicare-entitled due a Social Security Administration determination of disability and

- Are covered under their employer's GHP and have "current employment status" and the employer meets the "100-or-more" employer size requirements (above), or
- Are covered under their spouse's (of any age) employer's GHP and the spouse has current employment status and the employer meets the "100-or-more" employer size requirements (above).
